

ALONSO GIL: A20-RECORDATORIOS TELEGRAM

1)

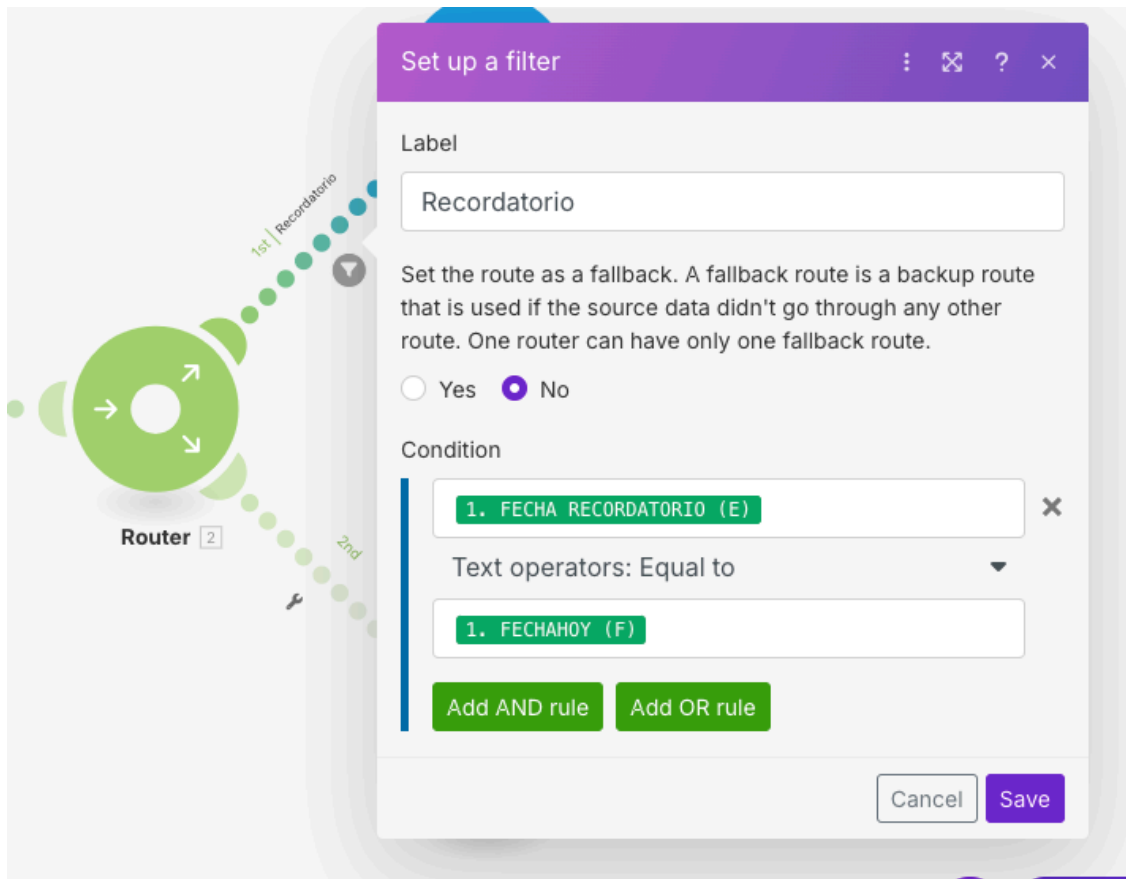

2)

The screenshot shows the configuration window for the Google Sheets trigger. The window has a green header with the title "Google Sheets". The configuration is organized into several sections, each with a dropdown arrow:

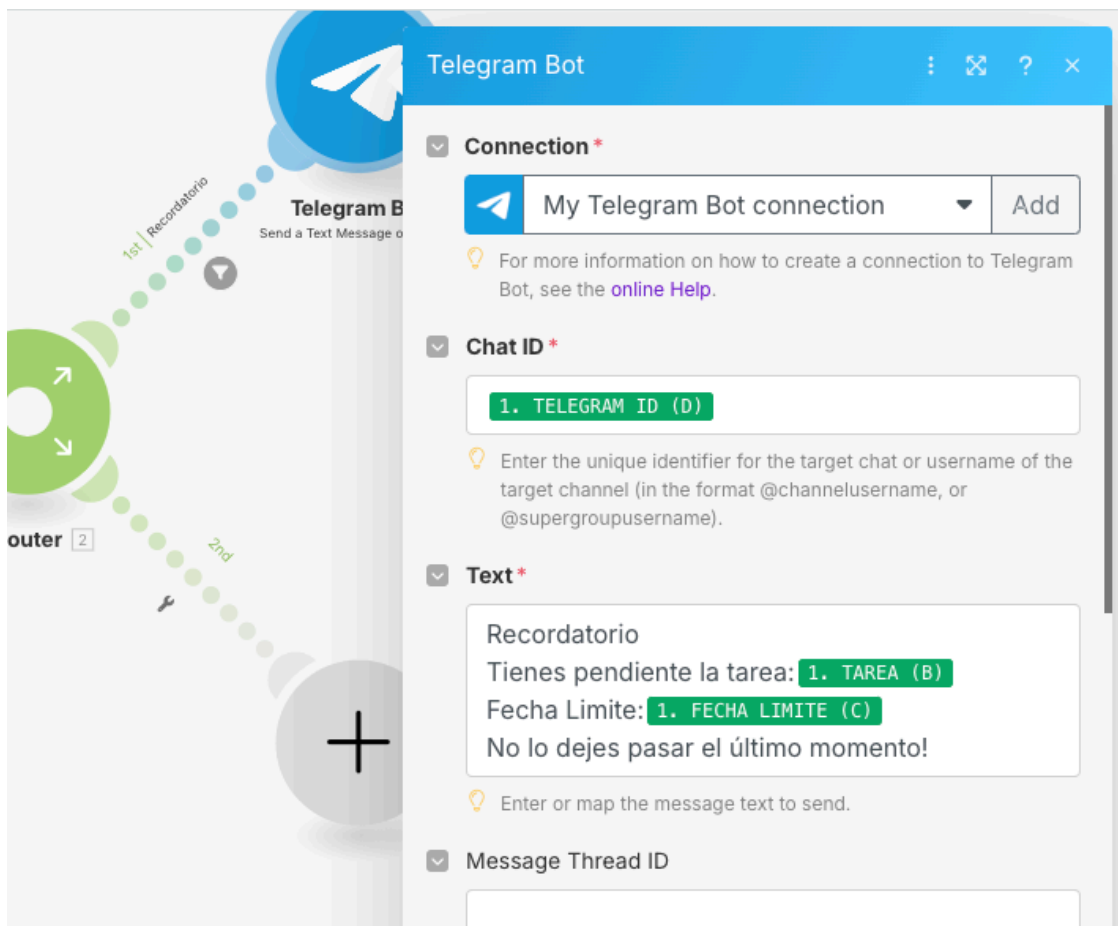

- Connection ***: A dropdown menu showing "M2 (alonsogil66@gmail.com)" with an "Add" button. Below it is a lightbulb icon and a link to "online Help".
- Search Method ***: A dropdown menu set to "Search by path".
- Drive ***: A dropdown menu set to "My Drive".
- Spreadsheet ID ***: A text input field containing "/ FechaTelegram".
- Sheet Name ***: A dropdown menu set to "Hoja 1".
- Table contains headers ***: A dropdown menu set to "Yes".

On the left side of the configuration window, there is a circular icon with a green background, a white document icon, and a clock, with the text "Google Sheets" and "Watch New Rows" below it.
